Level of assurance

These annual financial statements have been audited in compliance with the applicable requirements of the Sectional Titles Act, 1986 (Act No. 95 of 1986).

Independent Auditors' Report

To the members of The Body Corporate of Knightsbridge Mansions

We have audited the annual financial statements of The Body Corporate of Knightsbridge Mansions, as set out on pages 6 to 14, which comprise the statement of financial position as at 31 December 2015, and the statement of comprehensive income, statement of changes in equity and statement of cash flows for the year then ended, and the notes, comprising a summary of significant accounting policies and other explanatory information.

Trustees' Responsibility for the Annual Financial Statements

The body corporate's trustees are responsible for the preparation and fair presentation of these annual financial statements in accordance with the International Financial Reporting Standard for Small and Medium-sized Entities, and requirements of the Sectional Titles Act, 1986 (Act No. 95 of 1986), and for such internal control as the trustees determine is necessary to enable the preparation of annual financial statements that are free from material misstatements, whether due to fraud or error

Auditors' Responsibility

Our responsibility is to express an opinion on these annual financial statements based on our audit. We conducted our audit in accordance with International Standards on Auditing. Those standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance whether the annual financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the annual financial statements. The procedures selected depend on the auditors' judgement, including the assessment of the risks of material misstatement of the annual financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the annual financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by management, as well as evaluating the overall presentation of the annual financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our qualified audit opinion.

Basis for Qualified Opinion

We are unable to express an opinion on the obligation and valuation of the Unknown Deposits for the amount of R 20 816 (disclosed under note 5 Trade and Other Payables in the Notes to the Annual Financial Statements) as management are unable to provide us with any documentation or explanations for this amount.

Qualified Opinion

In our opinion, except for the possible effects of the matter described in the Basis for Qualified Opinion paragraph, the annual financial statements present fairly, in all material respects, the financial position of The Body Corporate of Knightsbridge Mansions as at 31 December 2015, and its financial performance and cash flows for the year then ended in accordance with the International Financial Reporting Standard for Small and Medium-sized Entities, and the requirements of the Sectional Titles Act, 1986 (Act No. 95 of 1986).

Emphasis of Matter

Without further qualifying our opinion, we draw attention to the fact that we were unable to comment on whether funds available are sufficient for the up-keep, control, management and administration of the body corporate in accordance with Section 37(1)(a) of the Sectional Titles Act No. 95 of 1986 due to the subjective nature thereof.

Independent Auditors' Report

Supplementary Information

Without further qualifying our opinion, we draw attention to the fact that supplementary information set out on page 15 does not form part of the annual financial statements and is presented as additional information. We have not audited this information and accordingly do not express an opinion thereon.

Trustees' Responsibilities and Approval

The trustees are required to maintain adequate accounting records and are responsible for the content and integrity of the annual financial statements and related financial information included in this report. It is their responsibility to ensure that the annual financial statements fairly present the state of affairs of the body corporate as at the end of the financial year and the results of its operations and cash flows for the period then ended, in conformity with the International Financial Reporting Standard for Small and Medium-sized Entities. The external auditors are engaged to express an independent opinion on the annual financial statements.

The annual financial statements are prepared in accordance with the International Financial Reporting Standard for Small and Medium-sized Entities and are based upon appropriate accounting policies consistently applied and supported by reasonable and prudent judgments and estimates.

The trustees acknowledge that they are ultimately responsible for the system of internal financial control established by the body corporate and place considerable importance on maintaining a strong control environment. To enable the trustees to meet these responsibilities, the board sets standards for internal control aimed at reducing the risk of error or loss in a cost effective manner. The standards include the proper delegation of responsibilities within a clearly defined framework, effective accounting procedures and adequate segregation of duties to ensure an acceptable level of risk. These controls are monitored throughout the body corporate and all employees are required to maintain the highest ethical standards in ensuring the body corporate's business is conducted in a manner that in all reasonable circumstances is above reproach. The focus of risk management in the body corporate is on identifying, assessing, managing and monitoring all known forms of risk across the body corporate. While operating risk cannot be fully eliminated, the body corporate endeavours to minimise it by ensuring that appropriate infrastructure, controls, systems and ethical behaviour are applied and managed within predetermined procedures and constraints.

The trustees are of the opinion, based on the information and explanations given by management, that the system of internal control provides reasonable assurance that the financial records may be relied on for the preparation of the annual financial statements. However, any system of internal financial control can provide only reasonable, and not absolute, assurance against material misstatement or loss.

The trustees have reviewed the body corporate's cash flow forecast for the year to 31 December 2016 and, in the light of this review and the current financial position, they are satisfied that the body corporate has or has access to adequate resources to continue in operational existence for the foreseeable future.

The external auditors are responsible for independently auditing and reporting on the body corporate's annual financial statements. The annual financial statements have been examined by the body corporate's external auditors and their report is presented on page 2.

The annual financial statements set out on pages 5 to 15, which have been prepared on the going concern basis, were approved and signed on its behalf by:

Trustee	Trustee

(Sectional Title Scheme number SS 18/1980)
Annual Financial Statements for the year ended 31 December 2015

Trustees' Report

The trustees submit their report for the year ended 31 December 2015.

1. Review of activities

Main business and operations

The controlling body was established to administer the common property of the Sectional Title Scheme known as Knightsbridge Mansions, situated at 235 Beach Road, Sea Point, being Erf number 601, for which a Sectional Title Register was opened.

All expenses applicable to the common property and administration are recovered from the various section owners by means of a monthly levy in terms of the rules of the body corporate and are in accordance with the participation quota applicable to each section.

2. Events after the reporting period

The trustees are not aware of any matter or circumstance arising since the end of the financial year that has a material impact on the annual financial statements.

3. Contributions

Contributions paid by sections owners and interest earned during the year were sufficient to meet expenditure, resulting in a levy surplus of R 33 146 (2014: R (61 617)).

4. Trustees

The trustees of the body corporate during the year and to the date of this report are as follows:

Name

Phillip Lourandous L McKenzie Pierre Sarembock Kim Steenkamp Ed West

5. Managing Agent

The managing agent of the body corporate is IHFM (Pty) Ltd of:

Business address

8th Floor, 2 On Long 2 Long Street Cape Town 8001

Postal address

PO Box 1212 Kuilsriver 7579

6. Management and conduct rules

There were no amendments or additions to the management and conduct rules.

7. Estimates of income and expenditure for the 2016 financial year

A budget for the next year will be presented for approval at the forthcoming annual general meeting.

8. Insured replacement values

A schedule of the present replacement values of all the units will be tabled for approval at the forthcoming annual general meeting.

9. Auditors

Cecil Kilpin & Co. was appointed the auditor for the year under review and their re-appointment is dependent on a resolution taken to that effect by the section owners at the forthcoming annual general meeting.

Annual Financial Statements for the year ended 31 December 2015

Accounting Policies

1. Presentation of Annual Financial Statements

The annual financial statements have been prepared in accordance with the International Financial Reporting Standard for Small and Medium-sized Entities. The annual financial statements have been prepared on the historical cost basis, and incorporate the principal accounting policies set out below. They are presented in South African Rands.

These accounting policies are consistent with the previous period.

1.1 Property, plant and equipment

Property, plant and equipment are tangible items that:

- are held for use in the production or supply of goods or services, for rental to others or for administrative purposes; and
- are expected to be used during more than one period.

Property, plant and equipment also include investment property for which fair value cannot be determined without undue cost or effort on an ongoing basis.

Property, plant and equipment is carried at cost less accumulated depreciation and accumulated impairment losses.

Cost includes all costs incurred to bring the asset to the location and condition necessary for it to be capable of operating in the manner intended by management.

Costs include costs incurred initially to acquire or construct an item of property, plant and equipment and costs incurred subsequently to add to, replace part of, or service it. If a replacement cost is recognised in the carrying amount of an item of property, plant and equipment, the carrying amount of the replaced part is derecognised.

Depreciation is provided using the straight-line method to write down the cost, less estimated residual value over the useful life of the property, plant and equipment, which is as follows:

Item
Land and buildings
Security cameras

Average useful life

indefinite 5 years

The residual value, depreciation method and useful life of each asset are reviewed at each annual reporting period if there are indicators present that there has been a significant change from the previous estimate.

Gains and losses on disposals are determined by comparing the proceeds with the carrying amount and are recognised in profit or loss in the period.

1.2 Financial instruments

Financial instruments at amortised cost

Financial instruments may be designated to be measured at amortised cost less any impairment using the effective interest method. These include trade and other receivables, loans and trade and other payables. At the end of each reporting date, the carrying amounts of assets held in this category are reviewed to determine whether there is any objective evidence of impairment. If so, an impairment loss is recognised.

1.3 Tax

Current tax assets and liabilities

Current tax for current and prior periods is, to the extent unpaid, recognised as a liability. If the amount already paid in respect of current and prior periods exceeds the amount due for those periods, the excess is recognised as an asset.

(Sectional Title Scheme number SS 18/1980)
Annual Financial Statements for the year ended 31 December 2015

Accounting Policies

1.3 Tax (continued)

Tax expenses

Provision for taxation is made at the company rate on investment income earned by the body corporate, less allowable deductions.

The body corporate is taxed in terms of Section 10(1)(e) of the Income Tax Act.

1.4 Impairment of assets

The body corporate assesses at each reporting date whether there is any indication that an asset may be impaired. If any such indication exists, the body corporate estimates the recoverable amount of the asset.

1.5 Provisions and contingencies

Provisions are recognised when:

- the body corporate has an obligation at the reporting date as a result of a past event;
- it is probable that the body corporate will be required to transfer economic benefits in settlement; and
- the amount of the obligation can be estimated reliably.

Contingent assets and contingent liabilities are not recognised.

1.6 Revenue

The ordinary levies are accounted for on a straight-line basis over the financial year and decided amongst the section owner on a participation quota basis. The annual oridnary levies are agreed and approved by the members at the body corporate's annual general meeting.

Interest is recognised, in surplus or deficit, using the effective interest rate method.
